

INDA meeting minutes August 25, 2016

Members present: Susie Merritt, Linda Wood, Nina Olson, Joy Terry

New Business:

Upcoming show on Sept 10th at SSHF

Since Joy will not be there, Susie will do lunch. Ribbons, prizes, tables and table cloths will be there. We have scribes for both morning and afternoon and Linda will be there to assist with the gate. Lorraine will be there for scoring.

Joy has sent signed checks to cover expenses, but we need to get Nina and one other person on the checking account.

USDF Convention:

Lorraine is our delegate and needs to be reimbursed for travel expenses (regardless of what happens with INDA-see below).

INDA's Future

We did discuss discontinuing Western Dressage at shows in the future. There are enough folks participating in that discipline now for them to organize their own shows. The Board members said they would be happy to assist with helping them get things set up.

There was a discussion about the limited number of volunteers, and other than Jaye, we have had no new interest in folks joining to help. The Board voted to have an emergency meeting on Sept 23rd, 2016, and if at least 4 new persons did not step up to fill empty positions and to assist with shows, the Board voted to disband as of October 1, 2016 before any dues are collected for the next year.

If it is the situation that INDA disbands, we will develop a plan for disbursement of assets, as set forth by the By-Laws.
